

**DRYTAC<sup>®</sup>**

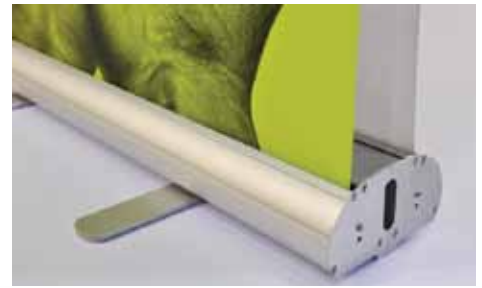

Your message is only as *beautiful* as its holder

Let it bloom with DRYTAC<sup>®</sup> displays

**ECONOMICAL!**

## **The Boost™** An economical, stable roll-up for volume POP applications.

The Boost™ is a stable banner stand for in-store promotions and advertising campaigns. Unlike most display stands at the same price point, a sturdy steel foot at the base locks the pole into place and helps the banner stay straight. The body of the base is silver and it comes packed in a sturdy cardboard carrying tube. Snap profile top rail. Compatible with optional Drytac Universal Light and LED Light. For the most cost effective pricing, Boost™ units must be ordered in multiples of six.

## **The Retractable II™**

A classic style roll up banner stand with all-metal construction and reinforced side plates, the Retractable II™ is a solid banner stand. The stand has a silver base and comes packed in its own nylon carrying bag. Comes in two top rail styles, self adhesive or clamp style. The Retractable II™ is also compatible with the energy-saving LED light.

**ECONOMICAL!**

### The GrandStand™

This mid-range roll-up system will withstand the rigors of exhibitions without folding under the pressure. Graphics easily wind into the banner base for quick set-up and break down. With a stylish silver or black finish, both GrandStand™ models project a sleek appearance that doesn't distract from the message. Includes a gray nylon carrying bag with black trim. Self adhesive top rail. Available in 33-1/2" (850mm) and 39-3/8" (1000mm) widths by 86-3/4" (215.25mm) tall.

**HIGH END  
DESIGN!**

### The ARC®

**Contemporary, stylish roll up display with a hard plastic case.**

Made with a curved maple veneer base, The Arc® has clean modern lines that make it a good fit for retail applications and other places where you need an elegant display. Also comes with a deluxe hard plastic carrying case for transport and storage. Clamp style top rail. Available in 33-1/2" (850mm).

**Limited Lifetime Warranty**

Visit [drytac.com](http://drytac.com) for details.

## Banner Bug™

Available as a single- or double-sided display, the top-selling Banner Bug™ comes in a range of sizes, from the pint-sized Desk Bug to the 10-foot-high Giant Bug. Banner Bug™ displays are sleek and modern. They roll up in seconds, and when the time comes for new graphics, they're quick and easy to change with the low profile velcro top rail. Line ranges in width from 8-11/16" (220mm) to 114" (2096mm). Base color silver with black end cap. All Banner Bugs™ come with a nylon carrying bag. Optional hard cases are available.

Optional hard cases for Banner Bug™: Moulded Hard Case (above, Product Code: BB-CASE-085), Hard Case (below, Product Code: DU-CASE)

All Banner Bug™ units come with a nylon carrying bag.

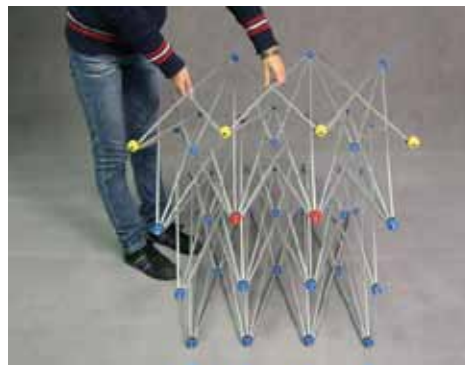

## Banner Buddy™

### From the Banner Bug™ Family

Banner Buddy™ is an affordable, L-frame banner stand in a modern chrome finish. It is lightweight, easy to use and its graphic panel can be changed at any time with the low profile velcro top rail. The Banner Buddy™ comes with its own black nylon carrying bag with separate compartments for the graphic and the stand hardware to protect graphics in transport. Uses the same top rail and pole of the Banner Bug™. Available in 2 widths, 33-1/2" and 39-3/8".

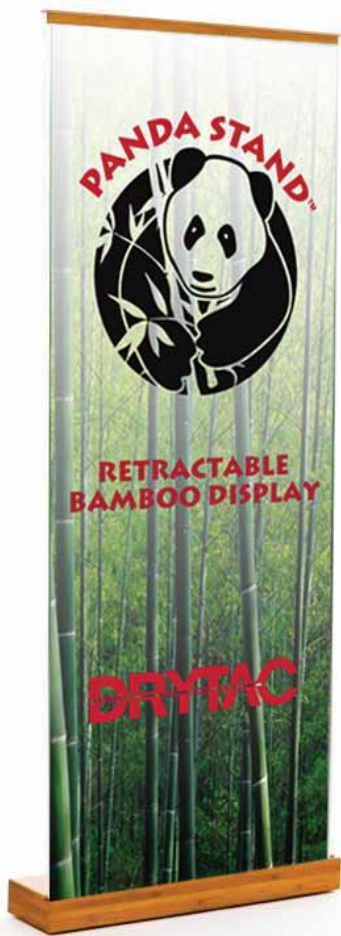

**Limited Lifetime Warranty**

Visit [drytac.com](http://drytac.com) for details.

## **Economy Pop Up**

The all aluminum self-locking frame pops up easily to form a stable and sturdy back wall for tradeshow and exhibits. Comes with its own hard case and two halogen lights. Available in 2 x 2 and 3 x 3 models. The 2 x 2 model measures 77-1/8" wide by 61-1/2" tall by 20-1/2" deep (1960mm x 1560mm x 520mm). The 3 x 3 model measures 102-3/8" wide by 93-3/8" tall by 21-1/2" deep (2600mm x 2370mm x 550mm).

## Panda Stand™ Eco Friendly Bamboo Display Products

The retractable **PANDA STAND™**, the L-Framed **PANDA L STAND™** and the accompanying literature stands are all constructed of up to 95% bamboo, a fast-growing, renewable resource. An elegant look and environmentally friendly choice. Displays measure 31-1/2" (800mm) by 78-3/4" (2000mm) tall. We also now carry Panda Print™, a printable banner fabric made of bamboo!

## Panda Mini Display Stand

A tabletop banner stand made of bamboo that is perfect for point of purchase displays where an eco-friendly, elegant look is needed. Graphic set up is easy. Comes with a paper tube for transportation and storage. Available in 11" x 16 1/2" (280mm x 420mm). Pair it with Panda Print™, our new bamboo fiber print media for an inexpensive display.

Panda Literature Stand      Panda Zip Up

**Panda Bamboo Literature Displays**  
 Both the Panda Bamboo Literature Stand and the Panda Zip Up are made of primarily bamboo, a fast-growing, renewable resource. Besides the environmental benefits of using a literature display made of bamboo, these literature holders are significantly lighter than similar stands made from conventional materials. The 8 pocket literature stand weighs only 8 pounds! Both stands come with sturdy canvas carrying cases for transport and storage.

## Fold 'N Go™, Brochure Bug, and Zip Up™ Portable Literature Stands

Great value in lightweight, easy-to-set up literature displays. Each comes with its own nylon carrying case. Optional hard case available for the Fold 'N Go™.

Brochure Bug

Fold 'N Go™ with optional hard case (Product Code: FNG-CASE)

Zip Up™ with carrying bag

## Bargain Banner

A simple entry-level banner stand with a four-pronged foot and an aluminum pole. The system uses two self adhesive graphic rails 23-5/8" (600mm) that simply attach to the pole via plastic clips. The height of the graphic can be adjusted up to 77-1/2" (1968mm). Simply slide the clips up and down the pole. Carrying bag is included. Great for quick, temporary event signage or anywhere you need an extra promotional message.

## Snap-In Graphics Suspension Bars.

Snap-In Graphics Bars convert basic prints into elegant suspended graphics in a snap. Suspended from a ceiling or in a window, the stylish brushed aluminum finish provides upper and lower borders for the image while keeping the media straight and taut. Great for retail applications or tradeshow displays where space is at a premium.

Universal Halogen Light

## Universal Display Lights

Our elegant display lights attach quickly and securely to most Drytac® banner stands and display systems, as well as most other brands. Available with a traditional halogen bulb or with an energy-saving LED light, each comes with its own nylon carrying bag. Compatible with The ARC, The Boost, The GrandStand, The Panda Stand™ Retractable, Banner Bug™, Banner Buddy™ and Chrono 2.

Universal LED Light

## Replacement Bulb Carrying Case

Helps prevent breakage when packing extra light bulbs. Comes with two replacement bulbs already inside.
