

FEATURES

- Compact footprint
- Fully adjustable height
- Side lay register system
- Speed control
- Proven feed technology
- Fast make-ready
- 5500+ sheets per hour

DRYTAC®

EXPERTS IN FINISHING SOLUTIONS

A precision feeder to help increase your production speed

The Versa Easy Air Feeder is a height adjustable, mobile, air/suction feeder. It can be wheeled up to a coater and the height set to match the feed tray. Controlled feeding helps ensure a steady flow of media into your coater. You can continue to load on the fly to increase productivity. Since the feeder is mobile it can be easily moved to enable other machines. Compatible with the VersaCoater™ DocuMate Plus, PressMate and the PhotoMate.
