THIRD PARTY CERTIFICATION

Issue Date: October 12, 2011

This is to certify that Interlam Pro Emerytex® has been tested and is compliant with the following safety standard for slip resistance in shod conditions.

DIN 51130

Ceram Research Limited
Test Report No. 115172-22593

The Emerytex® base laminating film is available with a variety of heat-activated and pressure-sensitive adhesives.

These test results are not transferable and may not be relevant or applicable to real life applications. Therefore, Drytac® strongly recommends and other regulatory entities may require additional testing to determine the suitability for any specific end application. Refer to Drytac® Terms and Conditions of Sale at www.drytac.com for additional liability limitations.

This certificate is the property of Drytac® Corporation. This certificate and all copies should be returned to Drytac® upon request.
